

i-H2O EZ Pay Promotion

TWO of the most popular i-H2O promotions are now permanent parts of the GIA Program!

Enjoy the benefits of the GIA i-H2O Activation System by way of two “EZ” initial payment options. Option 1 requires the selection of at least one consumable GIA product on Automatic Re-Order (ARO), which introduces new teammates to the efficacy of both the NutraGIA and BellaGIA product lines. Best of all, BOTH new AND existing GIA Consultants can take advantage of these Promotions!

EZ Pay Option 1

\$249

Plus 6 EZ Payments of \$59.95
(plus the price of the consumable product)

EZ Pay Option 2

\$349

Plus 6 EZ Payments of \$59.95

Option 1: Get started with i-H2O + ARO at only \$249!

Any new Team Member (including inactive Consultants, and anybody not currently enrolled on ARO) may enroll in GIA with an i-H2O Starter Pack, with an initial payment of only \$249.00 for the i-H2O Home System (or \$229.00 for the Travel System), as long as they add at least one GIA consumable product* to their opening order (and their next 6 monthly EZ-Payments of \$59.95 each).

Option 2: Get started with i-H2O at only \$349!

Any new Team Member (or inactive Consultant) may enroll with the i-H2O Starter Pack, with an initial payment of only \$349.00 for the i-H2O Home System (or \$329.00 for the Travel System). As soon as that first payment is received, their i-H2O Activation System(s) will be shipped. Thereafter, their monthly “EZ-Payments” - to pay off the remainder of the purchase price - are only \$59.95 each, for 6 consecutive months.

Great News!

Any front-level teammate you enroll with Option 1 above will count as a \$100+ Automatic Reorder (ARO) for you. Any month you enroll 3 people with EZ Pay Option 1, you’ll receive \$100 off your ARO the following month!

*GIA Edge (12 count) is not eligible for this promotion. Also, prices listed above are U.S. prices. Please check for Canadian pricing.
